

The photograph is dated 21st September 1939. Arthur Rose is on far left and Irene Rose is the girl in front with hand on the grass. Irene (top right at the History Fair) remembers writing home to her mum to say she had been gardening with the queen.

Our second event, a week later, was the open house weekend at Cannon Hill Park. It was a delightful setting indeed – a lovely house and grounds and again we had plenty of people interested in our photographs and display of Victoriana.

A big thank you to all from the Society who came along and helped out over both these events.

CARNIVAL 2ND JULY

TIME FOR TEA

Just a reminder that we are in the procession for this event. We are also running a tea tent and a display of photographs from last year's carnival.

NEXT MEETING: 28TH JULY

...MORE FROM THE REGISTERS

John Yates from Birmingham Register Office returns again. "Another funny thing happened..." sees him presenting more fascinating details from the birth, marriage and death registers.
