BALSALL HEATH HISTORY EXHIBITION AT THE PRINT WORKS

The former **Butchers' Print Works on Moseley Road** will be home to our huge exhibition on the history of Balsall Heath. The site, **opposite the library**, is being refurbished by Make It Zone as a centre for artists and craft based workshops. The first floor gallery and downstairs entrance have been selected as the locations to display the biggest ever display of photographs as well as the opportunity to display a large number of artefacts. Invites and promotional literature are going out now, including local schools. There will be film
