

Next Meeting.

The next meeting of the Society will be on December 14th when an entertaining evening of Christmas Songs Through the Ages will be presented by our old friend, Richard Churchley.

The evening will also feature seasonal refreshments and a raffle. Jam, Chutney and Marmalade will also be on sale!

Schoolroom Update and Good News

Our Victorian/World War Two Schoolroom is now successfully installed at Price's Square, Northfield. However, we are not fully operational yet. Unfortunately our Teacher's Desk, which we believe was formerly the Verger's Desk at St Paul's Church, was just too big to go through the doors. It was "sold" on E Bay but has neither been paid for or collected so is currently for sale again.

Meanwhile we have been successful in a funding bid to the Local Innovation Fund so we have bought a new and smaller desk as well as getting a new blackboard and various other essentials
